The Meraki Mini Wireless Access Point reached its End of Sale Date over five years ago. In accordance with the Cisco Meraki End of Life Policy (available at meraki.cisco.com/support/#policies), the End of Support Date for this product is the two year anniversary of the date of this notice.

Please note that Meraki Mini devices that did not download the latest Meraki Mini firmware update (released via the Meraki Dashboard in August 2014) may no longer be able to connect to the Meraki Dashboard.
