Meraki Now – Advance Hardware Replacement

SERVICE DESCRIPTION
Meraki Now is a collection of optional hardware replacement services designed for customers with Meraki networks that require minimal downtime in the event of a hardware failure. While all Meraki products include warranty replacement options and hardware redundancy capabilities, certain scenarios may require additional coverage on hardware products along with higher service level objectives (SLOs).

SERVICE TIERS
The following Meraki Now service tiers, which have optional Onsite support in many locations, are available on all Meraki MR, MS, MX, Z, and MV hardware products purchased from Cisco® or a Cisco certified reseller.

Onsite Support option: You can opt to schedule the field engineer arrival. Please consult the Onsite Field Engineer Duties for further details.

- With 2 hour and 4 hour service levels, you can schedule field engineer arrivals any hour of the day/week.
- With Next Calendar Day and Next Business Day service levels, the field engineer arrival times are limited from 9:00 a.m. (earliest arrival time) to 5:00 p.m. (latest arrival time) and scheduling is only available the day(s) after the part arrival.

SERVICE DELIVERY DETAILS & SUPPORT
All Meraki Now support services are to be initiated by contacting Meraki Support via phone, through the phone number provided via the Meraki management dashboard.

¹ For next calendar day and next business day delivery, the RMA request must be created by 3:00 p.m. local depot time for delivery on the next calendar day or business day. Exception: For United States and Canada, the RMA request must be created by 6:00 p.m. Eastern Time. In countries where Next Calendar Day and Next Business Day services are not available, Cisco will ship the RMA as a same day shipment.
ORDERING, AVAILABILITY AND PRICING

Meraki hardware products must have a purchase date of December 11, 2016 or later and must be purchased through Cisco Commerce Workspace (CCW) to be eligible for Meraki Now service.

Information on the countries where our products and services are available can be found in the Service Availability Matrix. If you have other questions about country availability, please contact your distributor, partner, or Cisco Meraki sales rep for further assistance.
